

Day 1 Snack:

Graham Cracker Cell Phones

What if God called us on our cell phones? Perhaps He would tell us our mission with a text or voice mail. But if He did it that way, we wouldn't embrace faith (grace God gives us to believe in mysteries) or explore His call in a deep manner. So, instead we will make tasty "Graham Cracker Cell Phones" that remind us of Jesus' "call" to everyone: Be holy! We'd just rather eat them so we have plenty of energy to discover more about vocations: marriage, priesthood and religious life.
